

PET FOOD FOR PROFESSIONAL BREEDERS

Kibbles Monge Best for Breeders Mini Starter with Chicken are a complete food for mothers during gestation and nursing and puppies during weaning. They guarantee the well-being of your dog thanks to their very high-quality nutrients, which are the result of Made in Italy research. The main ingredient is chicken and they are enriched with XOS (xylo-oligosaccharides), natural prebiotics which keep the intestine healthy. Highly digestible thanks to fresh and light meat, they contain chondroitin, glucosamine, calcium and phosphorus that help the right joints and muscles development.

Pack size:
15 kg

Starter - Chicken
