

## PET FOOD FOR PROFESSIONAL BREEDERS

Kibbles Monge Best for Breeders Hairball are a complete food for adult cats who suffer more than others the accumulation of hair in the stomach. Guarantee the well-being of your cat thanks to their very high-quality nutrients, which are the result of Made in Italy research. The main ingredient is chicken and they are enriched with XOS (xylooligosaccharides), natural prebiotics which keep the intestine healthy. They help the expulsion of hairballs and they are rich in vitamin C which helps intestinal flora.

Pack size:  
10 kg
